WORK EXPERIENCE

National Intramurals Recreation Sports Association

Digital Services Coordinator

January 2015 - June 2020

(Remote) Corvallis, Oregon

- Created digital and print media assets for multi-dimensional marketing campaigns geared for national markets.
- Managed majority of online content production; 1,800,000+ collective unique page-views, 2019.
- Managed VPS hosting and third-party plugin integration and maintenance, 99% uptime.
- Contributed to news production and publishing e-newsletter; averaged 3,800 recipients bi-monthly, 55% average click-rate, 2019.
- Remote employee agreement, 2016-2020.

First Alternative

Graphic Designer

January 2015 - August 2017

Corvallis, Oregon

- Created internal and external marketing assets, in alignment with National Grocers Cooperative (N.C.G.) brand guidelines.
- Managed website content production and maintenance; managed all social media channels and audience engagement.
- Coordinated media assets exchange and product promotions with vendors, including planning and promoting special events.
- Assisted brand-identity rebrand and designed new outdoor signage, 2015. Designed and launched rebranded responsive website, 2016.
- Remote web-consultant agreement, 2016-2017.

Yogurt Extreme LLC

Restaurant Manager

February 2010 - May 2012

Corvallis, Oregon

- Developed scalable operational safety and training procedures; responsible for hiring and training staff; managed 30+ employees.
- Oversaw staff weekly scheduling and food/beverage inventory for each location.
- Worked directly with the owner to construct and open three self-serve yogurt restaurant locations in twenty-four months.

Oregon State University

Facilitator

September 2009 - November 2010

Corvallis, Oregon

- Created and facilitated leadership, team building, and problem-solving exercises for large groups utilizing outdoor education methods.
- Trained and certified in professional climbing and adventure park risk mitigation practices.
- Facilitated effective communication and safe-space protocols in high-risk and challenging environments.

Nielsen Media Research

Technical Field Representative

June 2007 - June 2008

(Remote) Middletown, Connecticut

- Installed and maintained viewership equipment in volunteer households participating in "Nielsen TV Ratings" market surveys.
- Performed software and hardware upgrades for networking and communications equipment used to track survey viewership habits.
- Remote employee; responsible for management of storage location, expense reporting, and equipment shipping and receiving.
